

Dear Friends,

We are excited to invite you to join us in a life changing event, **The _____ Gift of Adoption Giving Circle**. Our extended family has been blessed with our adopted nephew who now has over forty loving relatives in his adopted family. As we have experienced with our nephew . . . *it is not only the child who is forever changed by a loving family, but also the family forever changed by the loving child*. You probably have similar stories of your own or know of an adoptive family within your circle of friends.

Anna Marie and Shane decided, after fourteen years of marriage, to adopt a child and begin the journey.

This journey is about Tian Yo.

He is a three year old boy. He is an orphan from China. He longs for a family. He needs additional surgical procedures and only a few thousand dollars more to help the adoptive parents, Anna and Shane, to unite them together as a family. Shane has wanted to adopt a child since he was 10 years old and now they are so close.....

Tian's journey begins with "You".

We are hoping you will join our giving circle; a group of people who we believe will help this adoption dream come true. Our goal is to raise \$3,500 by (Date). We are starting the _____ Giving Circle with a \$100 donation. With only 70 gifts of \$50 or more (the cost of a video game) Tian's dream will become a reality.

You can make a donation on-line at: http://www.firstgiving.org/_____. For more information about the Gift of Adoption Fund, please visit www.giftofadoption.org.

You can help bring Tian home.

Warm Regards,

(Giving Circle Leader)
