ROD SIMONS  
Golf for the Gift

We are deeply saddened by the sudden passing of our best and founder, my husband Rod Simons on February 20. We will carry forward Rod's passion for the cause of adoption in his memory. Please mark your calendar for the Tenth Anniversary Rod Simons Golf For The Gift charity celebrity golf tournament - Thursday, June 22. At your convenience, please take a few minutes to review the attached materials and consider supporting our tournament in 2017.

Rod often mentioned that his own family, formed through adoption, was a gift of a lifetime. Our precious 11-year-old daughter Anna came to us through the "gift" of adoption. As a result of the funds raised over the past nine years, we have helped create 100 forever families by providing financial resources to parents in Minnesota waiting to build their families through adoption.

The Gift of Adoption Fund is a 501(c)(3) non-profit organization that turns the dream of adoption into reality for those who could not otherwise afford to adopt. There are so many many children waiting for a home, and also many parents who are ready to open their arms and homes to a child, but are unable to do so simply because of the substantial financial costs involved in the process. The Gift of Adoption Fund makes it possible for many families who could not otherwise afford to complete the often lengthy and costly adoption process.

Golf for the Gift will play on Thursday, June 22 at The Troy Burne Golf Club. The tournament will once again feature a fun 18-hole Foursome scramble format with a local sports or media celebrity paired with each sponsor's foursome, AND so much more is all included - lunch, dinner, beverages, deluxe player gift package, prizes, etc., at a spectacular Tom Lehman designed world class course.

This event isn't possible without the generosity of sponsors like you. Please feel free to complete and return the sponsor confirmation form at your convenience, or contact Pat Reis at 612-436-2603 or by email at [pat@thegiftofadoption.com](mailto:pat@thegiftofadoption.com) if you have any questions. We are open to working with you to develop a custom sponsorship package.

Thank you so so much for your thoughtful consideration. With your support, Gift of Adoption will continue to fulfill Rod's vision to make a life-changing difference in the lives of families.

Regards,

Pat Reis, Tournament Chair
