RAISES FOR THE GIFT

Wisconsin's two major shelter for the child organizations, *Open Day Parties* and *Showing Back*, have 100 children go home to loving, permanent families each year. Our goal is to raise over the \$100,000 to cover 100 adoptable children with special needs services needed over their lifetime's child support.

WHAT IS THE GIFT OF ADOPTION?

Gift of Adoption (GOA) is a national 501(c)(3) charitable organization that provides the best care needed to complete the adoption of adoptable children in the United States and around the world. Showing is 100% \$10 million in gifts has been needed nationwide over 1,000 children are born adopted. GOA gives an annual 100% matched 100 percent share, equal to 100 percent, 100% match, 100% match, 100% match or 100% match.

The Wisconsin Chapter of OGI of Adoption received a 100% match over the last 100% match over the \$100,000 to complete adoption of over 100 children. Your gifts have gone towards children that would be difficult for the child from an orphanage and the State to have.
