

Gift of Adoption Investor Webcast September 22, 2017

Thank you for joining the Gift of Adoption webcast. We'll begin in just a few moments.

Welcome

"Great news! On February 1, 2017 our son, Emerson, and daughter, Beth, arrived home from Haiti!"

They moved from a chaotic, unsafe orphanage where they received little care and/or nutrition to a loving home.

They now have siblings, grandparents, a community, and a church family instead of the confines of a dingy orphanage.

They have opportunity and a future where before their prospects were very dim."
