

# Gift of Adoption Investor Webcast September 22, 2017

*Thank you for joining the Gift of Adoption webcast. We'll begin in just a few moments.*

## Welcome

*"Great news! On February 1, 2017 our son, Emerson, and daughter, Stella, arrived home from Haiti!"*

*They moved from a chaotic, unsafe orphanage, where they received little care and poor nutrition, to a loving home.*

*They now have siblings, grandparents, a community, and a church family, instead of the confines of a dingy orphanage.*

*They have opportunity and a future, where before their prospects were very dim."*
