

GIFT OF ADOPTION FUND

NON-DISCRIMINATION STATEMENT

The Gift of Adoption Fund awards grants to qualified adopting parents who are approved by an agency licensed by the state in which they reside. Before any applicant is approved they must have a completed and approved home study.

Grants are awarded based on financial and other extreme hardship on the part of the adopting parents and preference is given to children experiencing extreme hardship such as medical special needs. The organization is neither qualified nor licensed to determine the suitability of the adopting parents and does not base the grants on the applicant's marital status, race, creed or national origin.
