Gift of Adoption (GOA) is a national charity that raises funds to provide grants to complete the adoptions of vulnerable children – giving them a permanent family and the chance to thrive.

Priority is placed on helping children facing what is possibly their only chance at adoption, including children at-risk of separation from siblings, entering foster care, aging-out of an orphanage or with critical medical conditions. Our grants are given without regard to age, race, ethnicity, religion, sexual orientation or marital status and are paid directly to agencies and attorneys working on the child's behalf.

Any U.S. citizen adopting from anywhere in the world (domestic or international) who has an approved home study is eligible to apply. Financial need must be demonstrated.

Gift of Adoption was founded in 1996 by adoptive parents Gene and Lucy Wyka of Grafton, Wisconsin. Due to overwhelming demand for adoption assistance grants, the Wykas converted their foundation from a private family foundation to a public charity in 2001.

Since inception, GOA has awarded $9.9 million to complete the adoptions of 3,421 children. Because we receive twice as many applications as we can fund, we invite you to join us in making a difference in the life of a child today!

You don’t have to adopt to give a child a family.

As of June 2020, Gift of Adoption Capital Region has awarded $327,250 in adoption assistance grants across the Capital Region to complete the adoptions of 107 children.

Chapter Goal
Each year, Gift of Adoption Capital Region receives requests from approximately 32 qualified families - representing a funding need of $125,900. The goal of the Capital Region Chapter's all-volunteer board is to raise enough funds to help complete each of these adoptions. 100% of the money raised by the chapter is directed to uniting children with forever families in the area.
