As of June 2020, Gift of Adoption Carolinas has awarded $839,750 in adoption assistance grants across the Carolinas to complete the adoptions of 283 children.

Chapter Goal
Each year, Gift of Adoption Carolinas receives requests from approximately 46 qualified families - representing a funding need of $185,300. The goal of the Carolinas Chapter's all-volunteer board is to raise enough funds to help complete each of these adoptions. 100% of the money raised by the chapter is directed to uniting children with forever families in the area.

MISSION
Gift of Adoption (GOA) is a national charity that raises funds to provide grants to complete the adoptions of vulnerable children – giving them a permanent family and the chance to thrive.

PRIORITY
Priority is placed on helping children facing what is possibly their only chance at adoption, including children at-risk of separation from siblings, entering foster care, aging-out of an orphanage or with critical medical conditions. Our grants are given without regard to age, race, ethnicity, religion, sexual orientation or marital status and are paid directly to agencies and attorneys working on the child's behalf.

ELIGIBILITY
Any U.S. citizen adopting from anywhere in the world (domestic or international) who has an approved home study is eligible to apply. Financial need must be demonstrated.

HISTORY
Gift of Adoption was founded in 1996 by adoptive parents Gene and Lucy Wyka of Grafton, Wisconsin. Due to overwhelming demand for adoption assistance grants, the Wykas converted their foundation from a private family foundation to a public charity in 2001.

NATIONAL IMPACT
Since inception, GOA has awarded $9.9 million to complete the adoptions of 3,421 children. Because we receive twice as many applications as we can fund, we invite you to join us in making a difference in the life of a child today!

You don’t have to adopt to give a child a family.

Meet Harrison

We are so very thankful. Your organization was truly a blessing and we can not express enough how much it changed our journey. We were able to truly enjoy our adoption experience because we knew we had received a grant to cover the next round of expenses. A huge relief that gave us the best mindset going into those visits!
