

2021 marks Gift of Adoption's

25th Anniversary

During the quarter century, Gift of Adoption has awarded over **\$10 million** in adoption assistance to unite almost **3,500** children with their permanent families.

To jumpstart the celebration, we invite you to join the:

FRIEND of the CHAPTER 25th ANNIVERSARY CHALLENGE

Friends of the Chapter recognize that uniting vulnerable children with their permanent families is a constant and urgent need. Friends of the Chapter increase the capacity of a Gift of Adoption Chapter to award the adoption assistance which brings more children home by committing to an annual gift of \$1,000 or more for each of three years.

The 25th Anniversary Challenge MATCH* provides a \$1,000 bonus donation to a GOA Chapter who engages a Friend of the Chapter, up to the first 25 Friends secured by Chapters across the nation.

The total gift becomes **\$4,000** (\$3,000 pledge plus \$1,000 bonus) which means **ANOTHER CHILD COMES HOME TO A FAMILY IN YOUR STATE**

To become a Friend of the GOA-Chapter, please visit <https://giftofadoption.org/friend/> or complete the attached pledge form. Gifts can be made monthly, quarterly, or annually. Gift of Adoption provides quarterly communication on the impact of the gift along with recognition on the website, at events and in the annual report.

The Gift of Adoption Fund provides adoption assistance grants to complete the adoption of vulnerable children – giving them permanent families and the chance to thrive.

*Matching funds are generously donated by the Ralph and Eileen Swett Foundation.
