

Generations

Celebrating the generational impact of adoption

Annual Report
Fiscal Year 2021
January 1 - December 31, 2021

Dear Friends,

The theme of this year's 25th Anniversary report is "Generations", highlighting the impact adoption has on the extended family and the adoptee. There are two definitions of 'generation' that resonated with me while writing this letter. The first, and maybe the more obvious is, "all of the people born and living at about the same time, regarded collectively". The second, however, struck me as just as powerful as we look at the last 25 years of Gift of Adoption. That definition is "the production of something". GOA has generated a family of its own, a family that embraces the collective impact we all make toward a common cause: to aid at-risk children.

As an adoptive parent, I feel strongly about the mutual positive benefits of adoption. It's not just about a child finding the stability of family, but these families and relatives getting to love—and be loved by—the child. As I typically explain, adoptive parents and the extended family are forever changed by the powerful impact these children have on them.

Since inception, Gift of Adoption—through its donors, supporters, friends, board and staff—has aided in the adoptions of nearly 4,200 children. That is a significant number of lives forever impacted and changed. In Admiral William H. McRaven's famous commencement speech at the University of Texas, he references the impact that one individual can make in a lifetime. He cites data that the average American will meet ten thousand people in their lifetime and ponders what can happen if just ten of these people are impacted through these interactions. If each of these 4,200 children, through their adoption and changed circumstances, now has a greater ability to positively impact the lives of just ten people, that is almost 42,000 lives changed. Add one generation—that's 420,000 people, and take it just one generation further, and these children will have had the opportunity to impact 4.2M lives. Think of the ramification of lives positively impacted over those generations for the families and extended families associated with these 4,200 children.

What GOA has generated is a sustainable and lasting program that impacts the lives of individuals as well as the lives they will eventually touch. This year, we have had 1) the ability to look back and celebrate our co-founder, Lucy Wyka, during the 25K walk and birthday party in Milwaukee; 2) the opportunity to feature, on social media, many of those who aided in the foundation and growth of the organization; and 3) the amazement of our 25th Anniversary Campaign which raised over \$1M through the devotion and support of our GOA family. We have had the ability to look back over a generation of Gift of Adoption founders, donors, and family in a humbling realization of this impact.

Just in 2021 alone we were able to provide grants to 456 families to bring home 548 children and exceeded our goals of 410 grants and 525 children, respectively. We had a record setting year for overall revenue, thanks to the support of our donors. Yet, we began 2022 with 585 qualified applicants, anticipate adding another 744 this year, and are currently only able to say "yes" to 65% of these applicants. While we look proudly at our past, this fact compels us to work even harder to accomplish more in the coming years.

As board president for the past couple of years, and vice president before that, it has been remarkable to witness the support, enthusiasm, and impact of our donors on our mission. On behalf of the Board and Staff, I am comforted knowing that, as a result of your collective ongoing support, Gift of Adoption will continue to have a lasting impact for generations to come.

With ongoing gratitude,

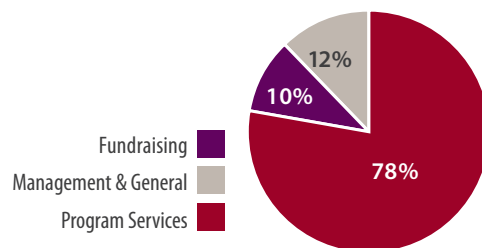

Jim Vint

25TH ANNIVERSARY LOOK BACK

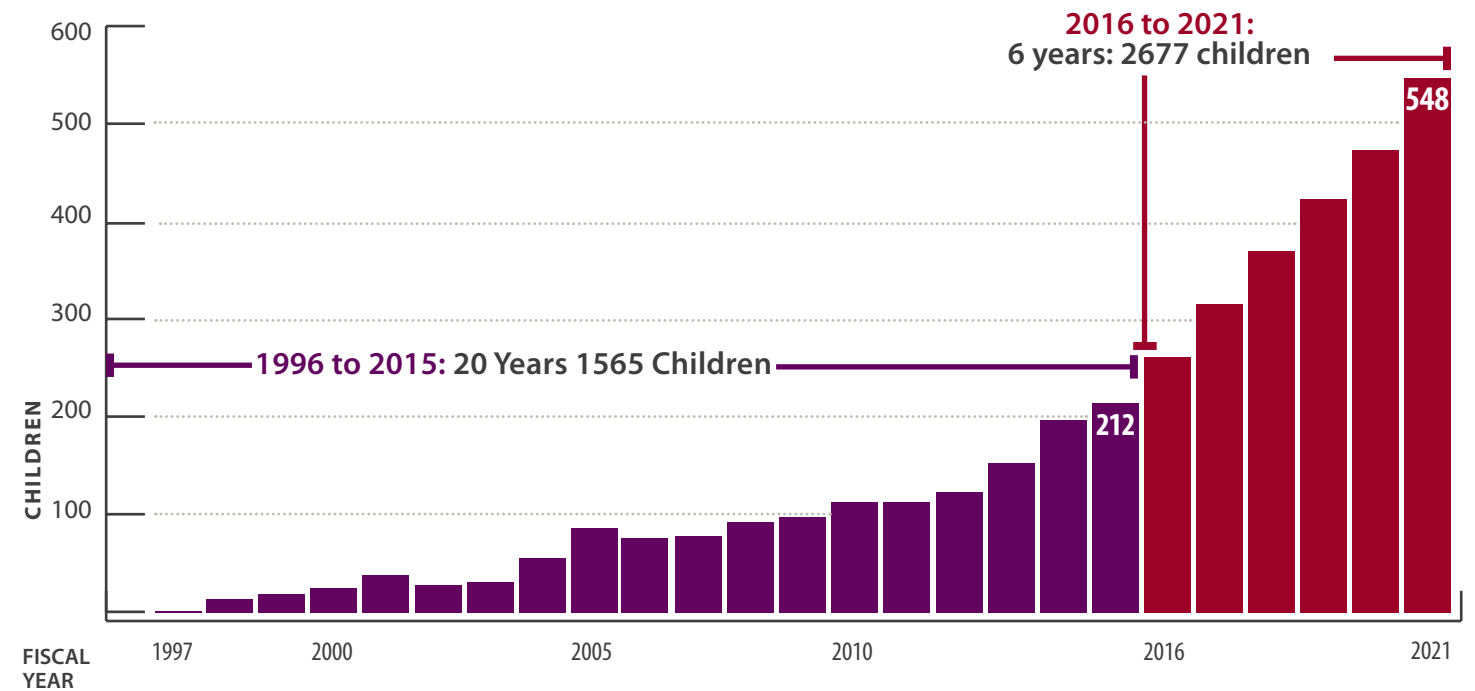

In 2021 Gift of Adoption celebrated its 25th Anniversary and the thousands of children’s lives impacted through your support. The anniversary celebration included a birthday walk and party, an outpouring of generosity for the 25th Anniversary Campaign, the honoring of GOA game-changers on social platforms, and the curation of Then & Now stories told by young adults adopted with assistance from GOA. The anniversary provided moments to reflect upon the origin and progression of Gift of Adoption and to envision the next 25 years of helping unite children with loving families. Here’s a look back at 2021:

25TH ANNIVERSARY WALK AND BIRTHDAY PARTY

Despite hot and humid August weather, dozens of walkers were all smiles as they completed a 25K course along the Oak Leaf Trail in Milwaukee and helped to celebrate our 25th Birthday. The walk culminated in a birthday celebration and a heartwarming program with comments from Wisconsin Chapter president Scott Ripkey, co-founder Lucy Wyka, grant recipients Troy and Jocelyn Piper and son Francis, and a closing toast by CEO Pam Devereux.

25TH ANNIVERSARY FUNDRAISING CAMPAIGN

Our 25th Anniversary Campaign launched in the 4th quarter of 2020 and ran through December of 2021, raising nearly \$1.3M on a goal of \$1M, and engaging generous donors from around the country to make significant impact in areas important to them.

25TH ANNIVERSARY GAME-CHANGERS

The Anniversary provided an opportunity to recognize those that helped create, shape and grow Gift of Adoption during its first 25 years. The following game-changers were featured on social media in August:

Cheryl Benitez	Shaneetra Gross	Michelle Rivas Notestine
Linda Boucher	Allen Hazlett	Ngozi Okorafor

GATHER FOR THE GIFT

We were thrilled to be able to celebrate in person at our Gather for the Gift signature event, held in October at the Four Seasons in downtown Chicago. Guests, and those who live-streamed the program, were treated to the warmth and humor of emcee Louis Van Amstel, the inspiring presence and stories of Devan and Isaac and their families, comments from Gift of Adoption Ambassador, 17-year-old race car driver Chloe Chambers, and a hearty paddle raise and live auction.

"My personal story includes living in foster care from age 4 until age 10. At 10 years old, I was adopted by a loving family in New York. My 6-year-old son Parker is the first person whom I have ever met who shares my ancestry. I believe that my childhood adoption was a pivotal moment in my life which later helped bring Parker into our world. He is a loving boy and full of zest. His life and so many others represents the multi-generational impact that adoption can make."

- Darryl Grant, California Chapter Board Member

INVESTOR BOARD AND 25TH ANNIVERSARY CAMPAIGN DONORS

Gift of Adoption recognizes the donors who have funded our growth and core operations. Investor Board members donate \$2,500 annually for three years to fund core operations. Also included are the generous donors who made a one-time gift to the 25th Anniversary Campaign.

Meet Winston, pictured on the front and inside cover, shown here with his “Lolly”. Bethany and Brian of Wake Forest, NC felt called to adoption to build a family and adopted their son Desmond in 2020. They were contacted in early 2021 and told that Desmond’s birth mother was pregnant and again wanted them to adopt the new baby as well as she was sure she was not able to raise him. The young couple was not financially prepared to adopt again so quickly but greatly desired to keep the siblings together. A grant from Gift of Adoption enabled them to say “yes” to Desmond’s baby brother, Winston, and completed his adoption in November 2021. Bethany shared, “We are so grateful to be able to raise these boys together. They are the light of our lives and love each other already! Thank you.”
