

As of December 31 2022, Gift of Adoption has awarded **\$2,200,000** in adoption assistance grants across Florida and the south to complete the adoptions of **726 children**.

Chapter Goal

Each year, Gift of Adoption Florida receives requests from approximately **93** qualified families - representing a funding need of **\$399,300**. The goal of the Florida Chapter's all-volunteer board is to raise enough funds to help complete each of these adoptions. 100% of the money raised by the chapter is directed to uniting children with forever families in the area.

MISSION Gift of Adoption (GOA) is a national charity that raises funds to provide grants to complete the adoptions of children in vulnerable circumstances – giving them permanent families and a chance to thrive.

PRIORITY Priority is placed on helping children facing what is possibly their only chance at adoption, including children at-risk of separation from siblings, entering foster care, aging-out of an orphanage or with critical medical conditions. Our grants are given without regard to age, race, ethnicity, religion, sexual orientation or marital status and are paid directly to agencies and attorneys working on the child's behalf.

ELIGIBILITY Any U.S. citizen adopting from anywhere in the world (domestic or international) who has an approved home study is eligible to apply. Financial need must be demonstrated.

HISTORY Gift of Adoption was founded in 1996 by adoptive parents Gene and Lucy Wyka of Grafton, Wisconsin. Due to overwhelming demand for adoption assistance grants, the Wykas converted their foundation from a private family foundation to a public charity in 2001.

NATIONAL IMPACT Since inception, GOA has awarded \$14.7 million to complete the adoptions of 4,851 children. Because we receive twice as many applications as we can fund, we invite you to join us in making a difference in the life of a child today!

UPDATED JANUARY 2023

Meet Kamden

Adopted from U.S.A. by Terra and Robert, Bixby, FL

“ *We knew adoption was meant for us. We wanted to help a baby stay out of foster care. The Gift of Adoption is a real blessing. It gave our child things he would not be able to do or have had he not been placed with us.* ”

Meet Callie

Adopted from U.S.A. by Timothy and Amber, Tampa, FL

“ *Right at the end, the travel expenses got so overwhelming. It all hit us at once and we weren't sure how to make it across the finish line. She was so closed off when we got her, but like a flower she has bloomed. She's more comfortable with us but also with going out, traveling, and experiencing life!* ”

Meet Runlin

Adopted from China by Nathaniel and Summer, Deridder, LA

“ *He will be in a family with a Daddy and Mama, three sisters, and a brother. He will be able to receive the medical care and surgeries still needed to greatly improve his quality of life. He will also be receiving school appropriate to his learning capacity.* ”
