PLAY GOLF • GIVE A CHILD A FAMILY

Gift of Adoption provides grants to complete the adoptions of children and young adults in vulnerable circumstances—giving them permanent families and a chance to thrive!

Since 1996, Gift of Adoption Fund has reached over 6,694 children with the gift of family, raising over \$22.4 million in adoption assistance grants. The Arizona Chapter has been serving local families since 2017, and in that time, more than 111 children have come home to a loving family, thanks to the generosity of our supporters and fundraising events like Golf for the Gift.

CHILDREN NEED YOU

Worldwide, over 150 million children are orphaned and in desperate need of a family.

More than 30% of the 100,000 children in the US foster care system have been waiting to be adopted for over three years.

For many children, it's the high cost of adoption that stands in the way of being united with a family.

The average adoption assistance grant requested by families in Arizona is \$5,000.

Gift of Adoption is a 501(c)3 charity which prioritizes adoption assistance grants for the most vulnerable children and young adults facing what is possibly their last or only chance at adoption.
