

# National Foster Care Month Social Media Toolkit

## Purpose

**National Foster Care Month (May)** is a time to raise awareness for the more than 300,000 children in foster care across the U.S. At **Gift of Adoption**, we focus on what comes next: helping children in foster care move from temporary care into permanent, loving families by removing the financial barriers to adoption.

## Key Messages to Share

- Foster care is meant to be temporary — but many children wait years for permanency
- Adoption provides **stability, belonging, and lifelong connection**
- Financial barriers often delay or prevent adoptions
- Gift of Adoption grants **remove that final barrier**
- Every donation helps a child move from **waiting** → **belonging**
