WHERE WE FINISH, A FAMILY STARTS...

Gift of Adoption Fund believes a family is a basic right of all children, everywhere.

For the past 30 years, Gift of Adoption has provided the gift of family to at-risk children and young adults through our adoption assistance program. We are the longest-standing and largest provider of adoption assistance grants, awarding over \$25.2 million in critical funds to unite over 7,200 children with the families they need and deserve.

Gift of Adoption's Arizona Chapter has served local families since 2017. Since our start, more than 129 children—and counting—have come home to a loving family, thanks to the generosity of our supporters and through fundraising events like Golf for the Gift.

Please join us on our journey to make an impact in children's lives.
